PROFESSIONAL SUMMARY

Aspiring Data Analyst currently studying Data Analytics / Data Science at IT Vedant, with practical learning in Excel, MySQL, Power BI, Tableau, and Python. Interested in transforming raw data into useful insights through data cleaning, exploratory analysis, KPI tracking, dashboard development, and clear reporting. Brings restaurant operations experience and strengths in communication, coordination, customer service, and problem-solving.

TECHNICAL SKILLS

Data Analysis: Data cleaning, data-quality checks, exploratory analysis, KPI tracking

Excel: PivotTables, charts, spreadsheet analysis, dashboarding

SQL / Database: MySQL, joins, aggregations, grouping, sorting, COALESCE

Visualization: Power BI, Tableau, interactive dashboards, KPI reporting

Programming: Python for data analysis (developing skills)

PROJECTS

Hotel Booking Analysis | Microsoft Excel

- Explored a hotel-booking dataset using spreadsheet analysis, PivotTables, charts, KPIs, and dashboarding.

Brazilian E-commerce Data Analysis | MySQL

- Worked with a multi-table e-commerce dataset and practiced primary/foreign-key relationships, SQL joins, aggregations, grouping, sorting, and COALESCE.

Healthcare Operations & Patient Analytics Dashboard | Power BI — In Progress

- Developing a three-page dashboard for hospital overview, patient analysis, and operational insights, including planned Power Query cleaning, data-quality checks, DAX measures, KPIs, and interactive visuals.

BUVIJAG AI | Team AI Analytics Application

- Contributed to a team project for dataset analysis and actionable insights, with planned KPI detection, data-health checks, anomaly detection, chart recommendations, and report export.
  GitHub: github.com/vincen1608/BUVIJAG

WORK EXPERIENCE

Restaurant Captain

- Coordinate daily restaurant service activities to support smooth operations and a positive customer experience.
- Communicate with kitchen and service team members to coordinate orders, handle routine issues, and maintain service flow.
- Prioritize tasks during busy service periods while applying teamwork, customer service, and problem-solving skills.

EDUCATION

B.Sc. — Pavendhar Bharathidasan Arts & Science College | 2021

Higher Secondary (12th) — GHSS, Avoor | 2018

TRAINING

IT Vedant — Data Analytics / Data Science (Currently Studying)

Coursework: Excel, MySQL, Power BI, Tableau, and Python for data analysis.

SOFT SKILLS

Communication, teamwork, problem-solving, adaptability, customer service, coordination, and prioritization.
